

WORLDWIDE MILITARY BAPTIST MISSIONS

FAITH BAPTIST CHURCH, BELLEVILLE, IL

SEPTEMBER 2017

Dear Prayer Partners and Co-laborers in Christ,

We serve a great God who is moving in a mighty way in our nation and the world in these “*Last Days*” in which we live! God is in control in these end times, and salvation through Christ is still the cure to the ills of this world and to the sin of all mankind. We must remember that nuclear war threats from a rouge nation as North Korea or fighting an evil enemy as ISIS is the Lord’s work, not a politician’s! (I Sam 17:47)

Please continue to pray for our President and for our nation’s leaders to do God’s will concerning war and threats of war & not their own! (2 Tim 2:1-4)

✝ The United States military has over **250,000** troops stationed **overseas** in 150 countries & territories. At any given time, it has another **40,000** sailors and Marines **deployed** on Navy ships. Most of them are new to military life, are a long way from home and feel “captive” on a ship or an overseas base. Consequently, they are more receptive to the gospel of Christ. **Therefore, WMBM has a great burden to support and assist God-called missionary Pastors who have planted churches near US bases overseas to reach souls in uniform with the Gospel of Christ!**

Scores of souls are saved every month between the ministries of these soul-winning churches in the European Union, the Far East and Middle Eastern nations. Here are some of the overseas churches that are “*on the front lines*” and “*on the offense*” reaching the lost souls in our military services and their local national residents:

- ✝ **Ed and Elvie Navato (Yokosuka Baptist Church)**, military missionaries to the **24,000** Sailors, Marines, Civilians and military dependents stationed at Yokosuka Naval Base and stationed aboard the USS Ronald Reagan (CVN-76) in Sasebo, Japan.
- ✝ **Jason and Leah Harvell (Bethel Baptist Church)**, military missionaries to the **4,000** Sailors, Marines and their dependents stationed at US Naval Station, Rota, Spain. Navy Station Rota is the largest American military community in Spain.
- ✝ **Brett and Patricia Skillen (Wiesbaden Baptist Church)**, military missionaries to the **56,000** Soldiers, family members & retirees, at US Army Garrison, Wiesbaden. The Wiesbaden/Mainz Community is located in the central portion of Germany.
- ✝ **An Unnamed Missionary Family (former US Army previously stationed in Israel)** who lives in an undisclosed location near an **Israeli Defense Force (IDF) Military Base** and who are reaching IDF Soldiers and the nation of Israel for Christ.
- ✝ **Alton and Maxine Mickle (Calvary Baptist Church)**, military missionaries to the **2,800** Service Members, Department of Defense and Department of State Civilians and their family members living in and around Brussels, Belgium.
- ✝ **Ryan and Lori Johnson (Garmisch Baptist Church)**, military missionaries to the **1600** military members, civilian employees and their dependents at US Army Garrison Garmisch and the Edelweiss US Military Resort.
- ✝ **Mike and Tonda Pinson (on Deputation)** are veteran military missionaries will be ministering to one of the seven major US bases in Japan that averages **6,000** to **15,000** Soldiers, Sailors, Marines, Airmen, US civilian personnel and their dependents.
- ✝ **Donnie and Christie Brown (on deputation)** are military missionaries will be ministering to the 6,300 military personnel and 2,500 civilians. US Army Camp Casey, near the Korean Demilitarized Zone (DMZ) in South Korea.

These missionaries are former active duty members in our Armed Forces. Four couples are retired from the military. They are all experienced, educated and ordained into the ministry as missionaries to those in uniform. They love souls! Amen!

Please pray for these missionaries as they reach out to our dear troops and their families with the Gospel of Christ!

Thank you for your prayers and support as we reach our troops and veterans. The Rewards are Eternal!
