

# WORLDWIDE MILITARY BAPTIST MISSIONS MARCH 2018

Dear Prayer Partners & Co-laborers in Christ,

✝ We praise God for the constant spiritual emphasis of **“religious liberty”** being generated daily in our **Marines Praying on the National Day of Prayer, Quantico VA** Armed Forces under President Trump’s leadership! Marine Corps Commandant General Robert Neller recently announced that the Marine Corps **“will emphasize all components of fitness, particularly the physical and spiritual aspects that play a key role in our ability to grow, develop, recover, heal, and adapt. Our spiritual well-being makes us better warriors and people of character capable of making good choices on and off duty.”** The President and the Commandant are honoring our service members and veterans by declaring that it is the official policy of our government to vigorously protect their religious freedoms. Amen! **Please pray that God will open doors like never before in our military services “for the gospel’s sake!” (I Corinthians 9:23)**

✝ April 15th is the Grand Opening of Hope Baptist Church! **Church Planter John Schrock**, a US Marine Corps Veteran, is making the final preparations for the opening service of **Hope Baptist Church** near Fairchild Airforce Base in Spokane, Washington. He has named the church planting event **“Operation Noble Cause.”** It is a comprehensive outreach to tell the active duty heroes serving on the base and the veterans in their community about the saving grace of Jesus Christ! **It is indeed a Noble Cause for the “gospel’s sake!”** God has already opened many doors for the church plant that only He could do. He has provided a wonderful place to meet, and his family and helpers have had many opportunities to share the Gospel and have already led souls to Christ in this vast military community.

**Please pray for the Schrock family as they minister Christ through the ministries of Hope Baptist Church.**

✝ It is a great blessing to see God move in the hearts of our next generation of Christian young men who have a solid testimony for Christ and who are seeking to serve our God and country in our Armed Forces. Pastor Randy Dignan put us in contact with a young man named **Lucas Jeffers** who he met at one of his youth conferences. **Lucas has a heart to serve God as a missionary to the Marine Corps.** God’s hand is on his life to become a great Marine and fellow-servant of Christ. He has brought six young men who are going to Boot Camp with him in June to church this past month. Three of these young men were saved at the services! Amen! His recruiter, Sgt. Droste, is coming to his church services this coming Sunday, 11 March. **Please pray for Lucas as he ministers Christ to the Marine recruiters, those young men being recruited and the Marines with whom he will work in the Marine Corps! Semper Fidelis!**

✝ We have just ordered **200,000** more of our very popular **“Gary Isaak – Our Son Died”** military style gospel tract! We have printed over 1,500,000 of these tracts in the past 15 years! It is the most productive soul-winning tract that is being read by our troops on US bases worldwide & by veterans in Veterans Homes and Hospitals throughout the USA! **Your support helps us purchase them, and then your precious prayers move hearts of people to read them and receive Christ as their personal Savior! Please keep praying for our Lord to use this tract in a mighty way for His glory!**

**THANK YOU AGAIN FOR YOUR PRAYERS & GIVING HEARTS!**

*Sincerely yours for the sake of souls in the military and our Veterans,  
Tyler & Cathy Ryberg and Don & Norma Koonce*
